

Are You Ready?

**When a disaster strikes,
will your organization be prepared
to keep your patients and staff safe?
It's a top priority for your organization.
Are you really ready?**

The Collaborative Healthcare Urgency Group helps healthcare organizations plan for, respond to and recover from disasters or emergencies. Our staff has decades of experience in:

- Creating emergency operations plans
- Reviewing emergency operations plans
- Planning and facility exercises
- Providing compliance advice and planning
- Training and education

Healthcare
Urgency Group**

Take a CHUG CHECK™ Today

Your CHUG CHECK™ is just a phone call away and can help you determine if your EOPs meet the regulatory requirements of:

- Centers for Medicare & Medicaid (CMS)
- The Department of Public Health
- The Joint Commission
- Occupational Safety and Health Administration (OSHA)

Call Collaborative Healthcare today at
847-803-2484.
